<p><b>For Throw Pillows:</b> The general rule is half a yard for 14 to 18 in pillows and 1 yd for 19 to 24 in pillows. If you want to add a ruffle, allow at least another half a yard. More if ruffle is wide or extra full.</p>				<p><b>Chair Seats:</b> 3/4 yard (54" wide fabric) will be enough for 2 standard chair seats. 3 yds is enough for 8 seats. Each 3/4 yd gives you two 27" by 27" pieces of fabric to work with. If the repeat is large or a pattern has to be centered, you may need more.</p>	

Yardage is approximate and is based on average requirements and 54" fabric width. Depending on the exact size and style of your project, your needs may differ. Additional yardage may be required to match larger patterns. We are not responsible for discrepancies in yardage. Please check with your upholsterer or decorator prior to purchase to confirm yardage needed for your project.
